

GLOBAL HEALTH PHYSICIAN COMPETENCY DEVELOPMENT

A first step in exploring the value of the 'Physician in Global Health and Tropical Medicine'

Results

- ✓ Cultural awareness
- ✓ Broad medical perspective
- ✓ Organisation of care
- ✓ Cost awareness
- ✓ Leadership
- ✓ Adaptive communication
- ✓ Flexibility
- ✓ Public Health
- ✓ Open-mindedness
- ✓ Holistic perspective
- ✓ Creativity
- ✓ Self-reliance
- ✓ Self-development
- ✓ Teamwork
- ✓ Clinical competence

TO DO's

1. Explore competencies with stakeholders
2. Assess needs of partners in LRS & HRS
3. Assess effect of GHTM physicians in LRS & HRS
4. Relate results to conventional competency models. E.g. CANMEDS
5. Implement results in the training programme
