

Faculty Of Sustainable Healthcare - HEENE

Education is Key to Reach Net Zero

Dr Elaine Winkley, Mr Mike Wilson, Dr Alan Hilley.

Where we are...

- ❑ The Faculty of Sustainable Healthcare was established by HEENE (now NHS ENE) in 2021 to cross professional and organisational boundaries. The first in the UK.
- ❑ Education is key to enabling greener decision making by clinicians – empowering them to change pathways of care.
- ❑ Multi – disciplinary Faculty
- ❑ Provide online modules, workshops, conference and networking opportunities.
- ❑ 197 attendees at Workshops
- ❑ Developed Sus QI and Sustainable Dentistry e-LfH Modules in Collaboration with the Centre for Sustainable Healthcare.
- ❑ Annual Conference 150 attendees
- ❑ Aim – Make the North East the Greenest Region in the UK and Drive Clinicians to make a difference with the Net Zero AgendaTrainee Green Champions Network has been established.
- ❑ Clinicians are changing practice and pathways of patient care to be greener.
- ❑ Uniting the NE and providing education on Net Zero that Crosses organisational Boundaries

Where we are going...

- ❑ In Person Workshops
- ❑ Developing Teaching package for Foundation Doctors
- ❑ Trainee Audit Projects across all specialities
- ❑ Establishing a Sustainability Fellow post
